

Criminal Background Search Waiver Statement

It is the policy of Starlight Children's Foundation to conduct criminal background search on all individuals interested in volunteering with the Washington State chapter. Volunteers may work unsupervised with medically fragile families. For this reason, criminal background will only be used to establish whether or not a potential volunteer has a violent and sexual criminal record. If a potential volunteer does have such a criminal record, s/he will not be placed in one of these programs. However, if appropriate, another placement may be considered.

This request for a criminal history is done through Check Point.

In the event of a criminal record, you will be contacted and given an opportunity to discuss your volunteer placement. If Check Point reports no criminal record, you will be able to begin your volunteer assignment once you have attended orientation.

I hereby declare and agree as follows:

1. I authorize Starlight WA State to conduct a background search through Check Point or any agency deemed appropriate, for the purpose of evaluating my application. While Starlight will endeavor to restrict access to information to persons within the organization involved in the screening process, such restricted access cannot be guaranteed.
2. I fully and unconditionally release and forever discharge Starlight WA State and its officers, directors, agents, and employees from any actions, claims, lawsuits, liabilities, damages or losses whatsoever sustained by me or any family member of mine relating to the background search to be conducted by Starlight WA State.
3. I affirm that I have read this waiver, have received a copy and fully understand its contents.
