

Giving has never been *so delectable...*

Celebrated Chefs™ is a unique collection of local restaurants devoted to giving back to their community by donating a portion of your bill to the charity of your choice. Whenever you dine at one of the participating restaurants, Celebrated Chefs will donate 5% of your bill (before tax and tip) to the Starlight Children's Foundation of Washington.

How it Works:

- Upon joining the Celebrated Chefs program, you will receive a beautiful hardcover book filled with over 100 pages of recipes from the head chefs of each participating restaurant.
- When you use your registered Visa card or MasterCard at a participating restaurant, 5% of your bill (before tax and tip) will automatically be donated to Starlight-Washington.
- With more than 70 restaurants – and new ones being added every month – the variety of dining options is neverending!
