Great Escapes: Benefits for Children/Families:

- **The *Great Escapes* family activity program:**
 - Created because daily logistical, financial, and medical concerns related to caring for a sick child take their toll, and recreational family activities often cease.
 - Provides families the chance to have fun together away from the hospital.
 - Families are able to relax, regroup and return home with a renewed sense of strength and hope.
- **The events forge connections between families struggling with similar issues.**
 - Goal is to foster a community of support and understanding to combat isolation and despair.
 - Families often feel completely alone.
- **Great Escapes provide a wide variety of all-inclusive recreational opportunities for individual families or groups of families.**
 - Movie screenings, circus trips, ball games, mother-daughter makeovers, picnics, pajama parties and more.
 - Coordinated entirely by Starlight staff, donors, and volunteers -- families relax and enjoy time together while someone else worries about the details.
- **Parents frequently cite Great Escapes as truly therapeutic – helping them feel less alone and providing courage, energy, hope, and fun to all family members.**

2010 Sparkling Starry Soiree Funding Goal:

\$50,258 will provide a minimum of 12 monthly *Great Escapes* adventures, program staff and administration (supplies, printing, postage, phone, travel, etc.) throughout the year.
