4. **Hospital Responsibilities.** The Hospital will bear the responsibility of designating a staff member (or members) who will oversee operations and use of the Unit(s) by patients and staff at the Hospital, and make best efforts to monitor use, and to supervise in the same manner and to the same extent they would supervise any element of the Hospital's pediatric programs, the use of the Unit(s) and its applications. The Hospital shall be responsible for controlling access by users and other persons to the Unit(s) and its applications. The Hospital shall provide proper supervision and management over the use and operation of the Unit(s) in order to preclude its abuse and preserve its operating efficiency.
5. **Inappropriate Use.** STARLIGHT shall not be responsible for inappropriate use of or access to the Unit(s) and its applications including, but not limited, any content viewed by the user on the internet.

8. **Publicity.** Upon advance notice to the Hospital and at a mutually agreeable time, STARLIGHT will have the right to photograph or videotape the Unit(s) and its use at the Hospital and to disseminate such photographs and videotapes to other persons for publicity purposes intended to build awareness of the program. If children and/or their families are included in such photographs or videotaping, their faces will only be shown by prior written consent of their parent or legal guardian, as applicable, on a form reasonably acceptable to the Hospital, and in compliance with HIPAA guidelines.
9. **Retention of Intellectual Property Rights.** STARLIGHT is and shall remain the sole and exclusive owner of all trademarks, trade secrets, trade names, service marks, copyrights or other intellectual property rights related to the Unit(s). 10. **Term.** This Agreement shall be effective on the Effective Date and shall continue to be effective until terminated as per Section 11.
11. **Termination.** STARLIGHT may terminate this Agreement by written notice to the Hospital if the Hospital fails to perform any obligation of the Hospital under this Agreement and such failure continues for a period of thirty (30) days after the date that the Hospital receives written notice of such failure from STARLIGHT.
12. **Dispute Resolution.** To the fullest extent permitted by law, any and all controversies or claims arising out of or relating to this Agreement, or the breach thereof, shall be settled by final and binding arbitration in [Los Angeles, California], administered by the American Arbitration Association in accordance with its rules and judgment by one arbitrator selected in accordance with said rules. The arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The arbitrator shall apply the substantive law of the State of [California], with the same statutes of limitation and the same remedies that would apply if the claims were brought in a court of law.
